At Ken-Mac Metals we keep things simple

Aluminum Solutions for the Boating Industry

When it comes to building boats that are lightweight, durable, and built to last, aluminum is the clear choice, and we're here to be your trusted source. We offer a wide range of aluminum coil and sheet in the sizes and finishes you need, delivering consistent quality and dependable performance for marine applications. With extensive inventories, state-of-the-art processing capabilities, and a commitment to precision and consistency, Ken-Mac Metals delivers materials tailored to your exact specifications.
